

Ocean Science Center Ad Hoc Committee Committee Report

TO: Board of Harbor Commissioners

FROM: Commissioner Kathryn Slater-Carter
Commissioner George Domurat

DATE: September 18, 2024

SUBJECT: Ocean Science Center Ad Hoc Committee Report

Meeting Summary: On August 17, 2024, the Ocean Science Center Ad hoc Committee met at the District office. Commissioner Domurat was present, Commissioner Slater-Carter was absent. Staff support was provided by Rachelle Modena and Eric Shapiro.

The purpose of the meeting was to identify people or entities who may be primary stakeholders, funders, or partners in the efforts of the Ocean Science Center. The following table was the initial outcome of the brainstorming session. This will be a living list that will be added to and sorted to help guide the next outreach steps.

FEDERAL	STATE	COUNTY	LOCAL	NONPROFIT	OTHER
NOAA	CDFW	First 5 San	Parent	Marine	Private
Fish and Wildlife	Coastal	Mateo	Teacher	Mammal	Schools

Mission Statement: To increase ocean science focused research and educational opportunities at the San Mateo County Harbor District.

Goals: Identify potential educational, governmental, community, and philanthropic partners. Narrow down scope to identify immediate actions and opportunities that can be implemented. Develop a long-term plan for expansion and sustainability.

Next Meeting: October 4, 2024, 10:00 AM
