Background

- ▶ Work completed to date:
 - ▶ April 2023 Buffer Striping installed.
 - ▶ March 2024 - Southbound Lane Closure.
 - ▶ June 2024 - Department of Public Works (DPW) finalized consultant design team for Emergency Repair.
 - ▶ September 2024 - California Coastal Commission (CCC) approved emergency repair permit. 100% plans completed and finalized Job Order Contractor (JOC).

Current Conditions

Mirada Road One-Way (NB) & Lane Closure (SB)

On March 6, 2024, the DPW designated Mirada Road between Medio Ave and Magellan Ave, approx. 1,000', as a northbound only one-way road and closed the southbound lane due to storm damage and wave action.

Current Conditions (3/6/2024 - 8/12/2024)

Photo examples of failed western edge of pavement (failed areas range in length and width).

Emergency Repair of Mirada Road

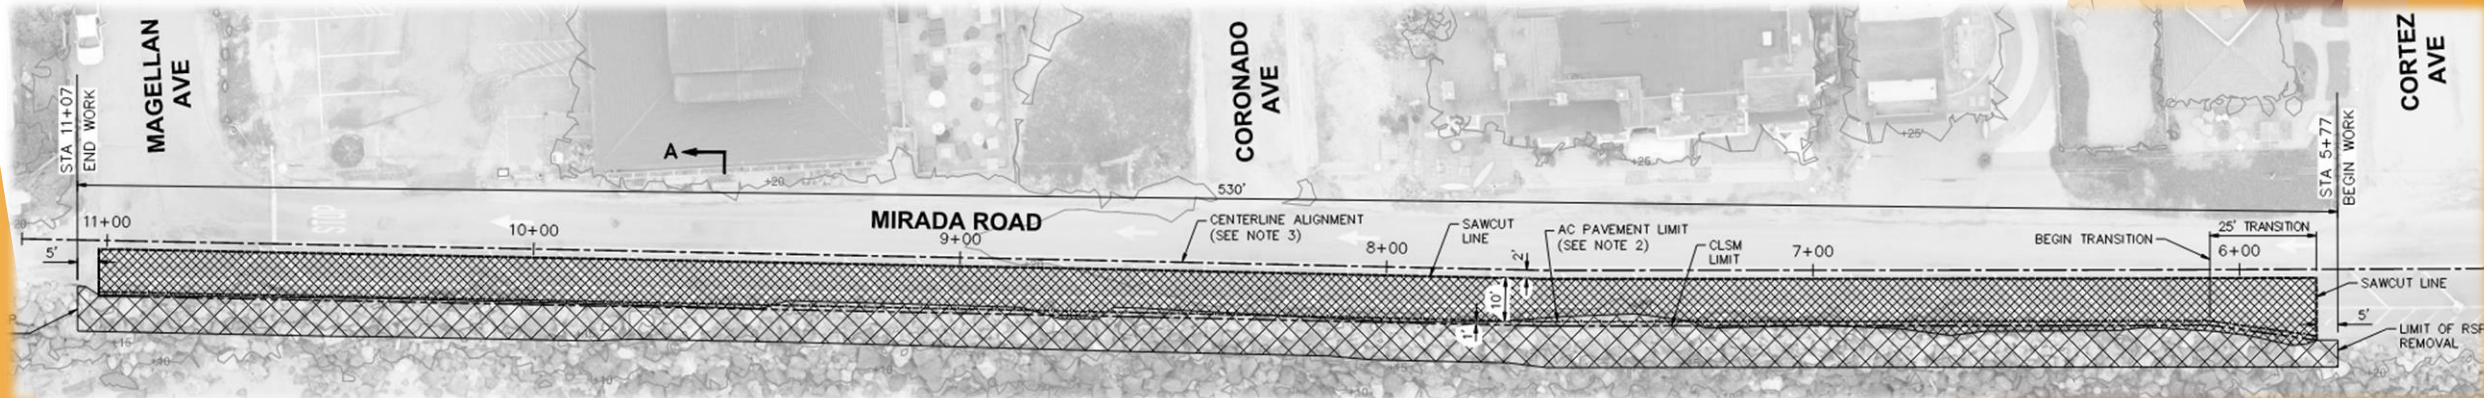

Goals/Objectives

- ▶ Address immediate safety concerns due to road damage
- ▶ Restoration of damaged portion of Mirada Road
- ▶ Protect road from further deterioration
- ▶ Maintain access for residents, businesses, visitors, and coastal trail.
- ▶ Build resiliency for Mirada Road to limit maintenance/future work
- ▶ Aligns with adopted plans/studies for State, County, and local area

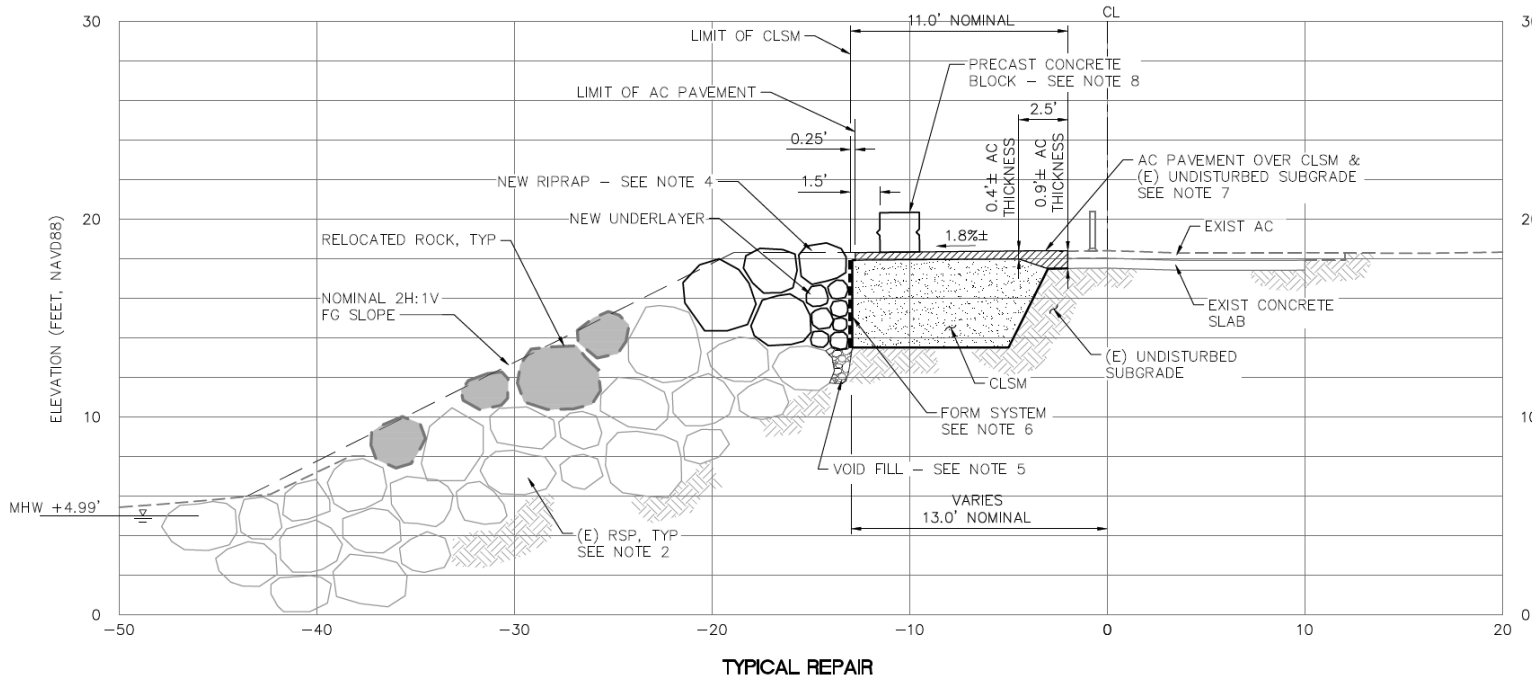

Emergency Repair of Mirada Road

- ▶ Project Limits:
 - ▶ Mirada Road from Cortez Ave to Magellan Ave
 - ▶ Repair performed under an Emergency Permit through the California Coastal Commission

Emergency Repair of Mirada Road

- ▶ Repairs Include:
 - ▶ Restoring, repositioning, and adding rocks to strengthen the Rock Slope Protection (RSP) along Mirada Road
 - ▶ Reconstructing the west side of roadway with Controlled Low Strength Material (CLSM)

- ▶ Addition of Pre-cast blocks along edge of road.

(This cross section has been updated since the public meeting on 9-25-2024 to match the final plans)

Emergency Repair of Mirada Road

- ▶ Schedule (estimated 42 working days)
 - ▶ Anticipated Start Date: September 30, 2024
 - ▶ Anticipated Completion: Early December, 2024
- ▶ Typical hours of operations
 - ▶ 8:00am-5:00pm, Monday to Friday, subject to change, if needed
 - ▶ Weekend work, if needed
- ▶ Impacts
 - ▶ Intermittent full road closure along Mirada Road from Cortez Ave to Magellan Ave during construction work hours
 - ▶ Expect delays along Mirada Road
 - ▶ Roadway will be open to traffic at the end of each workday
 - ▶ Avoid the construction area when possible
 - ▶ Advise parking off Mirada Road during the construction duration

Emergency Repair of Mirada Road

Impacts and Challenges

- ▶ Inclement weather may delay work
- ▶ SB lane will be closed with a K-rail in center
- ▶ Large machinery will need full lane to place rocks, vehicular access will be limited during this time
- ▶ RSP relocation and larger RSP will be broken on site
- ▶ Beach closures during the placement of the rock armoring
- ▶ Noise disturbance
- ▶ Equipment staging at end of Coronado Ave and on Mirada Road
- ▶ Local traffic may be detoured

- ▶ Pedestrian and Bicycle traffic delays and detours

Long Term Vision for Mirada Road (Phase 2)

- ▶ DPW intends to focus on completing the Emergency Repair Work through the end of this year.
- ▶ Long Term Vision for Mirada Road will be DPW's next phase, is a requirement from the CCC, and will need to include obtaining necessary funding and input from the community.
